Poly Duct Tape

POLYKEN®

Polyken 827 Premium Grade Poly Duct Tape

High-density, polyethylene tape with high shear, conformability, abrasion and chemical resistance, and moisture barrier properties. Sticks to most surfaces, including polyethylene films, and leaves no residue when removed. (2" width, 8 mil.)

Prod#	Item	Width	Rolls/Ctn	Ctns/Plt	Unit	Wt/Ctn
69030	827	2"	24	27	CTN	28

Poly Duct Tape

Shurtape®

Poly Duct Tape PE-333

A UV resistant polyethylene film tape used to mask surfaces during stucco applications and painting. A special synthetic high-tack adhesive provides a watertight seal in severe environments and weather conditions. Residue free. (2" width, 7 mil.)

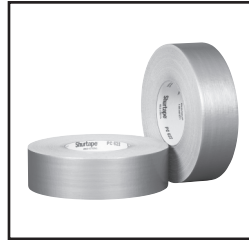

Prod#	Item	Width	Rolls/Ctn	Unit	Wt/Ctn
69275	PE-333	2"	24	CTN	32

Cloth Duct Tape

Shurtape®

Cloth Duct Tape PC-622

Premium grade cloth duct tape used for protection of window and door frames during stucco applications, and heavy duty bundling, holding, and splicing. (2" width, 12.5 mil.)

Prod#	Item	Width	Rolls/Ctn	Unit	Wt/Ctn
69250	PC-622	2"	24	CTN	52

Cloth Duct Tape PC-667

UV inhibitors eliminate residue, reducing clean-up time and expense. Aggressive adhesive holds strong to dusty surfaces and resists lifting during cleaning cycles. (2" width, 9 mil.)

Prod#	Item	Width	Rolls/Ctn	Unit	Wt/Ctn
69252	PC-667	2"	24	CTN	37
69255	PC-668	2"	24	CTN	46

Cloth Duct Tape PC-668

UV inhibitors eliminate residue, reducing clean-up time and expense. Aggressive adhesive holds strong to dusty surfaces and resists lifting during cleaning cycles. (2" width, 11 mil.)

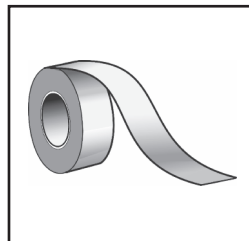

Cloth Duct Tape

POLYKEN®

Polyken 213

Economy Grade Cloth Duct Tape

Holds in extremely low and high temperature applications. Offers the industry's highest adhesion on a 10 mil duct tape. Sticks to irregular surfaces and provides excellent moisture barrier. 2" width.
